## Forest Fires In State Covered 679,909 Acres

By the United Press  
 In one of the most serious years in the history of California, forest fires burned over four times as much acreage as in 1930, the state department of natural resources reported Monday. The figures, based only on reported fires in areas patrolled by the state, reveal that there were 679,909.23 acres burned up to September 1 of this year as compared to 164,453.14 acres blackened by September 1, 1930.  
 Of the total area burned this season, 21,061 acres represented merchantable timber, 18,005 acres, production timber, and 15,733.25, potential timber acreage. The remainder of the fires were classified as brush, 351,714.30 acres; grass, 268,594.46 acres, and grain, 1,440.72 acres.  
 The loss for the year to September 1 is estimated at \$889,012.93 as compared to the \$283,146.74 loss in 1930. The timber losses are placed at \$121,410.69; range, \$152,385.12; grain, standing and stacked, \$56,214.25, and improvements, \$58,792.97.

### Toy Hospital Will Resume 'Operations'

The toy hospital, sponsored by the Men's Brotherhood of Central Evangelical church, has established headquarters in the room on the corner of Sartori and El Prado avenues, just across the street from Dolly's Drug store.  
 They will appreciate the gift of any discarded toys that you may have, and will repair them and give them to the needy children of the community at Christmas time. You will enjoy having a part in this community work, so bring your toys as soon as possible.

### HOSE BIDS OPENED

Seven bids were opened by the council Tuesday night which contained quotations on 1000 feet of fire hose, recently ordered by the Police, Fire and Light committee, composed of Councilmen Smith, Steiner and Nelson, for checking and report. E. L. Parks, Torrance Plumbing company, was the only local merchant to put in a bid on the hose.

### WOULD YOU LIKE TO HELP JOE BOOST HIS CHRISTMAS SALES?

"Give your friends subscriptions to magazines," says Joe Stevens, who is Torrance's popular "popcorn and newspaper" vendor. Holiday orders should be left at the popcorn wagon at the First National Bank corner as early as convenient now, says Joe.

J. O. Taylor of Los Angeles visited here Tuesday.

## Another Deep Test Well Is Being Drilled

### So. Torrance Field Active As Second Project Gets Under Way

As the Hamelin Lease No. 1 well on Palm street, South Torrance, is finished cementing off 150 feet from its 4780-foot depth another deep test well is under way today at Davis' leased well on Pepper street west of Pennsylvania.

Davis, who was associated with the Hamelin in the Hamelin No. 1 hole on Palm until difficulties surrounding the financing of the project finally forced him to drop out of the picture, has taken over a Richfield well on Pepper street and intends going down to 4150 feet from the present level of around 3700, it is reported.

The Higgins Brothers, working to bring in deeper stratum oil on Palm street near Pennsylvania, are scouting around for additional equipment before bringing in their hole. The well has been cemented off but must be cleaned out before any further progress is made, according to information received today by the Herald.

Both wells are within the city limits and both are said excellent prospects. The Higgins brothers have not done any further work on their Hamelin lease for the past two days while equipment was being lined up. It is expected they will resume operations some time today or tomorrow. At the Davis lease, workmen are placing boilers and setting up drill equipment.

J. W. Leech, C. T. Rippey and Frank Steinhilber, local Kiwanians, are delegates to the Pasadena district convention today and tomorrow. Yesterday President Sam Rappaport, John Holm and Steinhilber attended convention sessions.

## Civic Report Goes To All Residents

"Know Your City" is the name of an attractive booklet which contains the annual report of the Chamber of Commerce for 1930-31 and which is being mailed this week to all residents of Torrance. The directors of the organization voted recently to publish about 6500 copies of the report so that every inhabitant may learn what the chamber has accomplished in its multiple field of civic betterment and improvement.

**TOOTS WAY TO GAME**  
 "Johnny" Young, former Torrance High student and now a sophomore at U. C. L. A., "rooted" his way as a clarinet player in the Uclan band to the Stanford game last Saturday. The band made the trip by steamship with 300 other Bruin students. The postcard relating Johnny's trip reports the trek "one hilarious good time."

Guests of Mr. and Mrs. D. A. Murphy Monday were Mr. and Mrs. Tom Whistler of Berkeley.
